No. 308/ADG/NM-1B/CHQ/FSP/2017-18

Date: 14/11/2017

OFFICE ORDER

Geophysical targets for different field items were revised in 2013-14 and now there is a change in operation etc, hence it needs to be modified so that targets can be made practical for effective implementation of FSP items. Director General, GSI has kindly constituted a committee to look into the matter and review the field targets and suggests modification accordingly. The report should be submitted within 31st January, 2018.
