Subject: Holding of SGPB meetings

Sir,

The State Geological Programming Board (SGPB) meetings are to be held by all the states prior to the meetings of the CGPB committees (I-XII), which will be held in the month of September-October 2017. The outcomes of the SGPB meetings are to be placed in the appropriate CGPB Committees and the recommendations of the SGPB meetings are discussed and appropriate actions on these recommendations are deliberated upon.

In this regard, it is requested to take up the matter in time and coordinate with the State Governments falling within your regions to ensure that the SGPB meetings are conducted and concluded by end of August 2017. It is also requested that all relevant matters, keeping in mind the deliberations of earlier CGPB meetings, Agenda items of respective State DGMs/ Govts., ATRs etc., be thoroughly deliberated in the SGPB meetings so that their recommendations are considered for the formulation of FSP for 2018-19.

This issues with the approval of the competent authority and may kindly be taken on priority.

Yours faithfully,

(J.S. Mehta) 17

Director
