Sub. : Submission Budget Estimates for the year 2018-19

Ref. : This office letter no.G-20012/1/Budget/Misc/2017-18 dated 21st August 2017

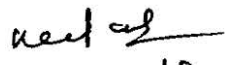

Sir,

Kind reference is invited to the referred letter under which a request was made for submitting the Budget Estimates for the financial year 2018-19 to this office by 31.08.2017 without fail.

Despite of giving sufficient time, most of the offices and all Missions have not provided their Budget Estimates for the Financial Year 2018-19. This is highly inconvenient and shows that the matter has not been taken seriously. Due to this GSI is not able to access its actual fund requirement for the next financial year and could not project it to the Ministry.

In view of the above, Competent Authority has decided that based on the previous and current financial year expenditure trend, Finance Division, CHQ will project the Budget for those offices who have not submitted their BE and these offices will have to manage with only such Budget. No request for providing additional Budget for the next F.Y will be entertained by this office.

This is for your kind information and necessary action please.
