Sub.: **Implementation of OCBIS Modules.**

Sir/ Madame,

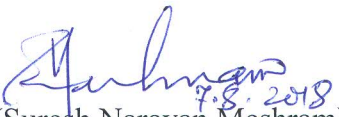

Please refer to the letter dated 08.06.2018 on 'the Implementation of OCBIS Modules'. This is to re-advise to get all modules of OCBIS as per the design and envisaged function operationalised at your end. To achieve the objective, it was emphasised into the letter, that the claims must be submitted through OCBIS claim module.

The response in the form of fortnightly report, as asked into the letter, has had bearings in taking corrective measure. But in the scenario of poor response from the regions and state units, this is being advised to furnish the report on achieved state of acceptance of online applications vis a vis hard copy applications immediately (by evening of 7.8.2018) to the ADG, M-III, CHQ.

(Suresh Narayan Meshram) 7.8.2018
Additional Director General

Copy to:

1. The Additional Secretary, MOM,, Shastri Bhavan, New Delhi.
2. The Director General, Geological Survey of India, Kolkata
3. The ADG, M-III, GSI, Kolkata

(Suresh Narayan Meshram) 7.8.2018
Additional Director General
