OFFICE ORDER

In view of the recently concluded International Peer Review of proposals for FS 2019-20 it was felt necessary to formalise the methodology for meso-scale (1:10000) landslide susceptibility mapping (LSM) in GSI. In FS 2018-19 a total six items are running and in FS 2019-20 a total seven items are proposed for meso-scale LSM in different terrains of the country. As 1:10k LSMs have direct application in land use planning, it is prudent to generate outputs that are user's friendly. In view of above, ADG & NMH-IV has called for a Brainstorming session on formalizing the methodology for meso-scale LSM in GSI on 12th November, 2018 (11:00 hrs) at CHQ, Kolkata. The following officers have been nominated to attend the meeting at CHQ and DDGs and RMH-IV of NR, SR, ER, CR and NER, and other officers from Landslide Divisions of GSI will participate in the session through video conferencing.

Sl No Name of officer

1. Dr. M. S. Bodas, Director, SU: Maharashtra, Pune
2. Dr. Saibal Ghosh, Director, DGCO, New Delhi
3. Dr. Pankaj Jaiswal, Director, LnSD, GHRM Centre, CHQ
