No. 2/Misc/PID-II/IJG/2019-20/

Dated: 22nd May, 2019

परिपत्र /CIRCULAR

Mission-III B has been receiving requests for sanction of honorarium to authors for preparation of coffee Table books, or publishing papers in departmental (Indian Journal of Geosciences) and outside journals citing the OM No.730-H/ADG/NMHIII/Publication /2017 dated 20-6-2017. The said OM was issued for honorarium rates for publication of major manuscripts. Here, it is to clarify that the coffee Table books or publication of papers in journal do not come under the category of major manuscript as per the guidelines of publication hence are not entitled for honorarium.

It is to inform that the department (GSI) promotes publications in journals outside the department but is not bound to bear any financial expenditure for the same.
