Dated: 20.05.2019

CIRCULAR

As per the approved guideline of GSI, each research project of Mission-IV will have a minimum of 30 days field work. It is instructed that officers associated with research projects to complete the field assignment of 30 days in a single trip. In case the officer is not able to complete the field work within a single trip due to some viable technical reason, the officer may be allowed second phase of field work with due approval of NMH-IV/HOD of Region/DDG-SU whichever is applicable.
