Dear Sir/Madam,

The Physical Research Laboratory instituted the "Hari Om Ashram Prerit Senior Scientist Award in the field of Science and Technology" in 1998 from the endowment funds donated by the Hari Om Ashram to commemorate the birth centenary of Pujya Shri Mota, the founder of the Hari Om Ashram, Nadiad. The biennial award is given to a distinguished Indian Scientist/Technologist whose contributions have made very significant mark in the national scene. The award carries a citation and a cash prize of Rs. 2,00,000/-.

Since its inception in the year 1998, the awards were conferred to Dr. A.P.J. Abdul Kalam, Dr. R. Chidambaram, Prof. C.N.R. Rao, Dr. R.A. Mashelkar, Prof. M.G.K. Menon, Dr. M.S. Swaminathan, Prof. U.R. Rao, Prof. Yashpal, Prof. M.M. Sharma, Prof. Anil Kakodar, Prof. T.V. Ramakrishnan, and Prof. K. Kasturirangan.

We are currently initiating the process of selection of a suitable person for this award for the year 2018. I would like to request you to nominate an eminent person whose contributions in the fields of Science/Technology, in your opinion, are significant enough for receiving this coveted award. The attached announcement contains information about nomination and other details. If you have sent any nomination previously, please send us an updated version for consideration. I shall appreciate if you could send the nomination so as to reach us before 30th June, 2019.

With best regards,

Yours sincerely,

डॉ. अनिल भारद्वाज
