Sub: Utilization of OCBIS applications

Sir,

This is to inform you that as per the DO letter from the Ministry, as the implementation of OCBIS appears to be in order, Region-wise/Module-wise usage matrix of OCBIS applications are to be included in the monthly report to be sent to the Ministry. Necessary monitoring of OCBIS will be done in order to ensure continuation of utilization of OCBIS applications.

Therefore, all concerned persons are requested to avoid adoption of offline process for carrying out activities for which OCBIS modules / applications are available, excepting for those processes for which GSI uses other Govt. of India portals like PFMS, EIS, CPP Portal etc. Any offline approval has to be strictly avoided so that relevant data are populated following the implemented workflows and OCBIS databases remain updated. Non-compliance in this regard will be viewed seriously.

This is for your further necessary action.

Yours faithfully,

(G. Gonnade)
ADG & NMH-III
