**Subject: Holding of State Geological Programming Board (SGPB) meetings**

Sir,

The State Geological Programming Board (SGPB) meetings are to be held by all the states prior to the meetings of the CGPB committees (I-XII), which will be held in the months of August-September, 2019. The outcomes of the SGPB meetings are to be placed in the appropriate CGPB Committees so that the outcome of these meetings can be discussed fruitfully and holistically in the relevant CGPB Committee meetings. In this regard, it is requested to take up the matter in time and coordinate with the State Governments falling within your regions to ensure that the SGPB meetings are conducted timely.

It is also requested that all relevant matters, keeping in mind the deliberations of earlier CGPB meetings, Agenda items of respective State DGMs/ Govts., ATRs etc., be thoroughly deliberated in the SGPB meetings so that their recommendations are considered for the formulation of FSP for 2020-21. The proposed dates for the SGPB by the states may kindly be intimated and after the meetings are held, the minutes sent to this office for further necessary action.

This may kindly be taken on priority basis.

Yours faithfully
