Announcement

Schedule of 5th and final Geoscience Australia (GA) and GSI workshop on “Mineral Potential Studies: Searching the New and Concealed Terrains”

The 5th and final Geoscience Australia (GA) and GSI workshop on “**Mineral Potential Studies: Searching the New and Concealed Terrains**” is being organized by National Mission-II, GSI, Nagpur in collaboration with GSITI, Hyderabad and WR, GSI, Jaipur from 22nd October to 30th October, 2019.

The workshop envisages two-days interactive session and presentations from 22nd to 23rd October 2019 at GSI, Jaipur followed by joint field work in parts of Northern Transect of Project Uncover (India) in Rajasthan from 24th to 26th October 2019. A post field summing up session of workshop with practical exercises and wrap up session is planned in GSI, Jaipur from 28th to 30th October 2019. The lists of officers nominated for the workshop is given below. All the nominated officers are requested to reach Jaipur on 21.10.2019.

All the HoDs and Mission Heads are requested to direct the officers under their jurisdiction to attend the said workshop, positively. This has the approval of the Director General, GSI, Kolkata.

(D. Mohan Raj)
