क्षेत्रीय प्रशिक्षण संस्थान / REGIONAL TRAINING DIVISION
पश्चिमी क्षेत्र, जयपुर / WESTERN REGION, JAIPUR

उद्घोषणा / ANNOUNCEMENT

A three day training programme titled “**Course on United Nations Framework Classification System and Amended MMDR Act 2015**” will be conducted at the Regional Training Division (RTD), Geological Survey of India, Jaipur, **from 24th to 26th April, 2019.**

The course objective is to equip geoscientists of GSI, State DMGs and other organizations with proper understanding of UNFC, relevance of reclassifying earlier estimated resource/reserves as per UNFC system and to update them with the latest developments in MMDR Act, 2015 and various rules under it. The course will constitute lectures and interactions at RTD, WR, Jaipur.

The significant content of the course is:

- History and development of UNFC
- UNFC axes, terminology and codes
- Introduction to Mineral Resource/Reserve classification system in India
- Classification of deposit types as per guidelines of UNFC & MEMC Rule
- National Mineral Policy and National Mineral Exploration Policy
- MMDR Act and Recent Amendments
- Comparison of UNFC with JORC/CRIRSCO
- Overview of Auction Process of Mineral Blocks

Nominations are invited from **geoscientists of GSI, State DMGs and other organizations** to participate as trainees in the said course. The total number of seats available is 15.

Nominations may kindly be sent through proper channel to The Additional Director General & HoD, Geological Survey of India, Western Region, 15-16 Jhalana Doongri, Jaipur-302004 by Fax (0141-2711100) or email: hod.wr@gsi.gov.in.

Last date for receiving nominations: 22nd April 2019.
