**Sub:** Extension of dateline for submission of reviewed Abstracts to CHQ for 36<sup>th</sup> IGC 2020

**Ref:** 1/Circular/IGC2020/Abstracts/MIII/2019 dated 31.01.2019 (uploaded in portal)

Sir,

With reference to the above letter all the GSI officers have already been requested to submit good quality geoscientific abstracts for upcoming IGC 2020 and it was also mentioned in the above letter that all the abstracts thoroughly reviewed/modified/shortlisted by regional Publication Divisions to be reached at Publication Division, CHQ, Kolkata **on or before 22<sup>nd</sup> February 2019 positively** for placing before Evaluation Committee constituted by the DG, GSI.

However, it has been found that numbers of reviewed and shortlisted abstracts received from different regional Publication Divisions are very few. As a nodal organizer of 36<sup>th</sup> IGC, GSI is expecting good numbers of abstracts from the in-service geoscientists of GSI. In view of the above, Evaluation Committee for selection of abstracts under the chairmanship of ADG & NMH-III, has extended the last date to **8<sup>th</sup> March 2019**. **All the final abstracts (duly reviewed and modified) should reach positively at Publication Division, CHQ ([directorpid@gsi.gov.in](mailto:directorpid@gsi.gov.in)) on or before 8<sup>th</sup> March 2019 for final selection for IGC 2020.**

Intimation of above timeline extension has already been scrolled in the OCBIS Portal.
