No. ⁵⁷⁵/STSS/Circular/CHQ/GSI/2019

Dated: 14.03.2019

CIRCULAR

All the laboratories of GSI are already equipped with high-end sophisticated scientific Equipments/Instruments. Besides, in every year GSI has also procured new high-end instruments for CHQ, State Units and HQ based Regional laboratories. Procurement of this sophisticated equipments requires several official processes under approved Store Manual, 2018 and guided by GFR 2017. These instruments installed in different laboratories in GSI as per their requirement.

In view of the above, all the concerned officials engaged in different labs of GSI are instructed to maintain history sheets and log book of lab Equipments/Instruments with details of date of installation, cost, warranty, AMC etc and number of samples received and analysed by the particular instrument in each laboratory.
