DEPUTY DIRECTOR GENERAL  
MISSION-III A  
27, JLN ROAD, CHQ  
KOLKATA**

No:.....

Dated:11.03.2019

**CIRCULAR**

This is to inform all the Group-A & B gazetted officers of GSI that e-sign service in APAR Module are likely to be implemented from 1st April 2019. This will require APAR submission by using Aadhar based sixteen digit virtual identification number (VID). It is requested that all the concerned officers must generate their VID from UIDAI (Unique Identification Authority of India) website, whose link is given below, to be in readiness for filling up APAR forms on-line for the period 1<sup>st</sup> April 2018 to 1<sup>st</sup> March 2019 or in part.

**<https://resident.uidai.gov.in/web/resident/vidgeneration>**

The e-sign feature works on the basis of VID and confirmation by OTP sent by UIDAI, to the registered mobile number. Thus it is important for those who have not already linked their mobile no. with aadhar, must register/ link the mobile by contacting Aadhar local help centres and generate VID from the link given above.
